Composite and Glass
Insulator**

September 30th, 2018 -
Following this review after
1992 there was a lot of activity
regarding development of the
first standards for all kinds of
composite insulator products
such as IEC 61466 1998 for
OHL composite insulators IEC
61462 1998 for composite
hollow insulators and IEC
61952 2002 for composite line
post insulators'

subscriptions" **Progress in
Insulator Technology and
Ongoing Need for Standards**

October 3rd, 2018 - In 1992
the first IEC standard 61109
for composite insulators was
published similar to ANSI C29
11 that became available
some years earlier Keeping in
mind that the basic design
principle behind composite

*insulators was invented in
1965 a period of 25 years to
the first IEC standard seems
very long'*
