america

March 30th, 2020 - the grace museum of america is located in cave creek arizona in the mountains of the sonoran desert the museum was started by grace voss frederick and houses a collection of historical objects from significant times in american history according to frederick the museum is intended to document america s transition from a primitive country to a great nation' 'ambivalence irony and americana
Charles sheeler's

March 16th, 2020 - abstractthis article examines the canvases and photographs made by

charles sheeler between 1926 and 1939 of his own collection of shaker furniture hooked

rugs and nineteenth century ceramics it argues that the paintings possess modernist self

consciousness ambivalence and irony toward their historical subject matter and that they

critique the contemporary collecting fad for all things ,
