ultraviolet uv pens key lock
boxes engravers and much more'

' **neighbourhood mathematics**

May 14th, 2020 - in topology and related areas
of mathematics a neighbourhood or neighborhood
is one of the basic concepts in a topological
space it is closely related to the concepts of
open set and interior intuitively speaking a
neighbourhood of a point is a set of points
containing that point where one can move some
amount in any direction away from that point
without leaving the set'
