### ' **australian literature britannica**

june 2nd, 2020 - australian literature the body of literatures both oral and written produced in australia perhaps more

so than in other countries the literature of australia characteristically expresses collective values even when the

literature deals with the experiences of an individual those experiences are very likely to be estimated in terms of the

ordinary the typical the representative " **australian poetry 1940s 1960s oxford research**  
*May 4th, 2020 - when situating 20th century australian poetry within world literary space critical histories often map it against the anglo american tradition and find it wanting in particular and despite the strong reputations that poets such as judith wright and a d hope continue to enjoy there is a tendency to regard australian poetry from the second world war until the mid 1960s as variously*

### ' **world literatures and the global south faculty of arts**

*June 3rd, 2020 - co convened with the peking university australian studies centre and the world literature association this international conference engaged with literary production on and from the global south in their own languages as well as in translation the concepts of world literature s and the global south are two widely discussed notions that are continuously being debated and redefined*
